Chrissy

Taboo Tales

The good thing about having a 'Don't Ask, Don't Tell' policy when married is you are free to fuck whoever and whenever you please, no questions asked. Chrissy and her husband had long ago decided that this was the only way to save their marriage for the sake of their kids. Chrissy sure took full advantage of their arrangement, bedding as many men as she could, as if she were in a contest. However, there was one man she still had her eyes on that she had yet to sleep with and she was having a hard time sinking her claws into him. She figured he kept backing away because he felt guilty about being her husband's brother.

When Chrissy set her mind to something, she didn't stop until she got it. She went to her brother-in-law's house and without saying a word, she had him naked, his cock shoved nice and deep down her throat.

He started to protest but as she guided his rod into her aching pussy, he couldn't believe how tight she was and how well she was using her pussy muscles to work him to new heights.

Even a blind man couldn't resist Chrissy's feisty ways and her latest conquest soon stopped protesting and started humping her until sounds of skin slapping skin filled the room.

Chrissy couldn't believe how hot the taboo aspect of it all was making her feel. She was tugging at her clit so hard and rubbing it so fast she had tears in her eyes.

As she begged for her hot cunt to be filled with cum, she already started planning her next fuck. Will that be you?

Vanessa

Juicy Georgia Peach

WorldMags.net

A blonde woman with her hair in a high ponytail is posing outdoors. She is wearing a white, off-the-shoulder crop top and blue denim shorts with a large metal buckle. She is covering her breasts with both hands. She is wearing a silver chain necklace with a heart pendant and small hoop earrings. The background is a blurred outdoor setting with greenery and a stone wall.

Originally from a small town, Vanessa only got out of her hometown once she married a man from a different state. She was younger then and working at Hooters, and it was her blonde hair, nice assets and thick Georgia accent that made him fall for her. They were married three months later and before she knew it, she packed up her life and moved to New York. Everything was great until Vanessa became a stay-at-home mom a year later and never had the chance to make new friends in the new city. Things got boring fast and she needed company. She still seemed to attract men from all walks of life and she took it upon herself to try as many flavors as possible. It felt so good, she never got out of the habit.

The day a new delivery man showed up on her doorstep (she only fucked men once, while they were still strangers), she asked him to bring the package inside so she could make sure it was intact. Little did he know, she wasn't talking about the box in his hands.

Vanessa dropped to the ground and spread her ass cheeks. She started all of her sessions that way so her lover could get a good look at her sweet Georgia peach.

A blonde woman with large breasts is the central figure. She is wearing a silver heart-shaped necklace and black lace-trimmed underwear. She is sitting on the back of a man, whose back and legs are visible in the foreground. The background is dark and appears to be foliage.

All those years of practice made Vanessa a sexpert. She knew just what to do to really inspect the package inside her and make her fuck toy scream.

She was oozing sex and couldn't wait to make the stud pumping deep into her cunt and writhing around beneath her explode.

Do you want to be the new notch on her
fuck belt? She's waiting.

It was a hot July and I was working at my father's restaurant. Since it was seasonal the staff only worked there from May until September. I started working there when I was ten years old, but now that I am 18 I was promoted to a more responsible position. The restaurant had a cellar where we stored all the foodstuffs, a main floor that could accommodate 180 people, and an upstairs that could hold 80 people. I was in charge of the cellar.

My father employed waitresses and chefs from New York and part of the deal was they had rooms within the restaurant. In fact there were about 8 different bedrooms, I shared one with a friend.

One of the regular employees was a married lady named Margaret. I had always liked Margaret and she always called me her favorite boy. She was about 5ft 2in with lovely blonde hair, big rounded tits, and a trim waist that was exaggerated by her wide belt, which she always wore tight, and an above the knee blue serge skirt. Her tits looked lovely and full inside her crisp white blouse. She had lovely big blue eyes set in a round face. Her nose had a slight turn up at the end, I always joked about that in a very friendly manner.

She had watched me grow up but had never allowed this to stop her from putting her arms around me and being very friendly. Little did she know that over the years I had a crush on her and had on many occasions masturbated myself over fantasies about her.

But this season I noticed that when I saw her there was a different feeling inside me and I couldn't play with her without getting a hard on. At first she pretended not to notice, but one day when we were having a lunch break together she started asking me personal questions. She knew I had a girlfriend and she asked me if I had had sex with her. I lied and said, "Of course I have, all the time."

She looked at me as I blushed and she said, "Right," as her head kept nodding.

We really did have a good friendly relationship and we always worked together in the upstairs

THE OLDER WOMAN

restaurant. She caught me looking at her many times and she even made jokes about it. I was so naive and she obviously knew this and caught me time after time and made things harder for me by rubbing herself up against me, even brushing her tits across my arms when we were drying the plates.

One Saturday morning in July my dad told me to go work in the cellar and explained to me what I had to do. I had been down there about an hour when Margaret called my name; I answered and went to meet her. She asked me where all the clean tablecloths were, I told her last room down to the right, as there were about ten rooms in the basement. She said that she would not go down there on her own, as there was no light.

I put the light on which supplied the room and walked down with her. The tablecloths were on the top shelf and she couldn't reach them so I reached above her head. As I stretched above

her I got the funniest feeling inside me, the small hairs on the back of my neck stood up and my arms were covered in goose bumps. She noticed this and turned around and looked up at me saying, "I really do have an effect on you don't I?"

At the same time she brushed her lovely small soft fingers over my arm. By now I was really blushing. I was holding these tablecloths above her head when she said, "What's this? Are you really pleased to see me?"

Her hands had dropped down and touched my already throbbing cock, she looked up at me and stood on her toes, I lowered my head and gently put my lips on hers. They seemed to be welded together as I dropped the tablecloths and put my arms around her and lifted her off her feet, still kissing her all over her face. Within seconds she had unzipped my pants and had somehow managed to get my cock out. She mentioned that it was dripping with pre-cum.

I couldn't move, I'd never had any female touch me. She kept telling me to relax but I couldn't and within seconds I'd cum I was so sexually charged. I was shaking and seemed to be transfixed. She told me not to worry and said

that I must promise her to go around to her house on our night off. I agreed.

Our night off was Thursday. How I got through the next few days was difficult as all I seemed to do was masturbate. I couldn't stop thinking about her. I was going to fuck the woman I'd had a crush on since I was 12. I just couldn't wait to get my hands all over her.

I asked one of the chefs about sex. He actually drew me a picture of a pussy as I'd never seen one and told me to work on the clitoris. He told me to tweak the nipples, to suck them and to lick the clit. I felt more at ease.

Margaret would now touch my hand, and put her arms across me so that her breast was right in front of my face. She was flirting all the time. On the Wednesday before we were to get together I mentioned that I'd never bought any condoms. She laughed and said that she was on the pill and that everything would be ok.

Thursday arrived and I got in so much trouble during the day because I was making so many mistakes and kept dropping plates. Finally I was at her front door, Margaret opened it and had on a lovely yellow summer dress. She could see I was nervous and took me into her front room and we sat down on the sofa. She told me that her husband was away on a trip and wouldn't be back till Saturday.

We sat talking for what seemed ages. I could feel my cock really throbbing and leaking pre-cum. I just hoped that I could hold on to it but knew that I was good for at least three orgasms as I had jerked myself silly all week, at least three or four times a night.

Margaret said, "Come on then, let's go upstairs." I'd been waiting impatiently for this moment, I was sure that I loved her. When we finally got in the bedroom she asked me to undress her. The dress undid from the back and I undid the buttons as I kissed her neck. I slid the dress over her shoulders and let it drop to the floor. I was standing behind her and as the dress hit the ground I looked down to see that she was naked.

Her ass was exactly how I imagined it, round, lovely, and with firm cheeks. Her waist was slim and her shoulders square and straight. When she turned around and I saw her breasts, they were amazing. Her nipples were large and prominent. Both tits were full but firm. She had a flat stomach and tight curly blonde pubic hair. She looked like a million dollars.

She told me to take my time as she started to undress me. It felt strange being naked in front of a woman. She put me at my ease by kissing my nipples and biting them till it hurt. We kissed and kissed. She wouldn't let me touch her pussy but I was content to fondle the best tits in the world. I sucked her nipples and tweaked them really hard, pulling them out. They extended a full inch.

She told me to lie down on my back on the bed and she came to my side and knelt over me. She gently took hold of my cock in two hands and told me that I should be proud of the fact that I had such a big cock. She slowly pulled back the foreskin and saw all the pre-cum. She bent over and put my swollen knob in her mouth and nibbled on it, gradually sucking it into her mouth and twirling her magical tongue all the way around the head. I could not bear it and could feel the rush coming from deep within. I told her this, she said she knew and carried on until I filled her mouth full of my seed, which she swallowed.

My erection wasn't impaired at all, and I wanted to see her pussy. She turned over and opened her legs as wide as she could. I knelt between her legs and just looked at her glorious pink flesh. She used her fingers to open her lips wide. I could see her pink magic hole. She told me to lick it. It tasted nice and I remembered what I was told and began to suck her clit, I also began to slide my fingers inside her cunt. One, two, three fingers slid in so easily. She told me to slow up and to keep sucking her clit.

After awhile I noticed her body stiffen she began to shout faster, faster, fucking faster. Then all of a sudden she shouted out and dug her fingernails in my back, and then she came and I felt her relax.

We both lay there for a while and since I still had a raging hard on she told me the time had come for me to lose my virginity. She said that I would always remember this night because she had passed on her experience to make it special for me. At the time I didn't understand what she meant, but now years later I know she was right. I will always recommend a young man to be seduced by an older woman.

She gently guided my cock inside her cunt and began to ride me slowly; I couldn't believe how great it felt. I came within a minute but I asked her not to stop. She kept going as I saw all my juices dripping from her. I turned her on her back and started to pump her quicker, I so wanted her to come. I began to sweat and moan as I could feel that special feeling coming from right inside me. She began to shout, "Fuck me hard Ronnie,

fuck me harder, fuck me, oh god I'm coming."

She dug her fingernails in my back and pulled me really hard into her, until I saw the blood rush to her face and knew then that she was spent. Seconds later I came for the third time.

Just about every Thursday night we got together whenever her husband was gone, which seemed to be a lot. I never could understand how a man with such a hot, sex-crazed wife would be stupid enough to leave her alone.

On one particularly hot night we went out on a real date. To keep up appearances she drove us three towns over to a little jazz club that also served dinner. It was a real hole-in-the-wall, but the band was great and so was the food. We danced and chatted until she got up to go to the bathroom. As she walked away from me she looked back over her shoulder and gave me a wicked smile.

I followed her, waiting outside the door. When she came out I pushed her back in. Our summer of fucking had given me a new confidence. Seeing her, feeling her on the dance floor had driven me to a fever pitch. I couldn't wait.

I kissed her hard and grabbed at her tits. Her hands were all over me as our tongues battled between our mouths. Not wanting to waste and time I turned her around and bent her over the counter. I reached under her skirt and ripped off her panties before unzipping my pants and taking out my cock.

In no time I was shoving my swollen prick into her hot cunt. I grabbed on her hips and just drove home, over and over, while she held on to the counter for dear life. I was possessed, a fuck machine that she had created. She tried to restrain her cries as we fucked but I was sure the whole club could hear us, even with the music playing. It didn't last long. I unloaded what felt like a gallon of sperm into her hot pussy. When I was done I withdrew and stuffed myself back into my pants. She pulled up her panties and we left the bathroom.

She was right I've never forgotten her and at the time I'm sure I did love her that summer and I if I saw her today I would thank her for giving me such a great start.

Francesca

Poolside Lay

Francesca was a swimmer and nothing turned her on more than water. In the days when she used to compete, she would always find some way to get laid after a competition. Sometimes it was coaches, sometimes it was fellow competitors or team members, but it always happened poolside. Quite some time had passed since those glorious years and it had been way too long since she had been properly fucked by a pool. Her longtime boyfriend never went for her fantasy, so she decided to finally find someone who would. Watching her poolman do his job, she knew she was going to have him. She walked out to where he was and started stripping.

The poolman had always thought his boss was a hot piece of ass. When she bent down before him and spread her legs and opened her mouth, he was instantly rock-hard.

The blonde cougar rubbed her slit and demanded he fuck her as slow as he could, teasing her cunt as much as possible.

Her body hadn't changed over the years and she was as flexible as ever. She decided to try out what used to be her favorite poolside position, resting on only her shoulders.

There was no taming this cougar as she switched positions at lightning speed and made it her mission to fuck the poolman until he could fuck no more.

The hot older woman even sucked like a champion. Do you want to be her next poolside fuck?

Roxetta was sexy and rich. The money was all hers and she could do whatever she wanted with it, including making herself look as hot as possible all the time. As the owner and designer of one of the most successful lingerie companies around, Roxetta got to travel the world and live in luxury, but she didn't always have time to go out and find a boytoy whose dick she could use however she pleased, and for as long as she pleased. Launching her first ever collection for men, Roxetta needed to find models and that's when it hit her - she would hold the auditions at her home, and they would require much more than just modeling.

When the first potential model came in, Roxetta was feeling raunchy and ready to put on a show. She showed off her goods and made the hunk hard by playing with herself.

No one could resist her sultry eyes and bouncy globes. She tore off her lover's clothes and mounted him, sliding down until all of him was buried deep inside her. She didn't even know his name.

Roxetta didn't expect for her boytoy to flip her onto her knees and ram her from behind, so when he did just that, she screamed in delight and pushed back on him hard.

The classy woman was nothing more than a cheap slut when she fucked. She pushed her tits into the young man's sucking mouth as she used his cock for her pleasure.

WorldMags.net

She needed to taste her reward. Roxetta slipped her pouty lips over his slick dick and tasted herself. At that moment she started coming.

She sucked every last drop out of his prick and decided she was going to hold a lot more auditions. Do you have what it takes?

Alyson

Housekeeping Slut

Never married and always single, Alyson had her fair share of lovers over the years. She saw nothing wrong with her lifestyle until she hit her forties. For some reason, it was getting harder and harder to get men into her bed and there was only so much she could do on her own. Working as a live-in housekeeper for a rich couple in the most expensive part of town, Alyson was always surrounded by smoking hot men who had unlimited money, great bodies and style - she was always wet at the sight of them. When the woman of the house went away on business, she turned up the heat by doing her housework in short-shorts and no bra.

The man of the house knew she wanted it; her hard nipples and wet pussy were obvious signs. When he showed up to her bedroom naked, followed by his naked business partner, he found the slut undressed and working her clit.

Alyson's fingers had already made her wet and when she saw the two hard-ons before her, she started to come, stuffing her holes at once.

The horny housekeeper pleaded to be used as she alternated between stuffing her hot pussy and star, all the while sucking hungrily on the cock in her mouth.

Alyson couldn't work her clit hard enough as she was filled from both ends. She was coming so hard, her juices were running down her thighs.

The filthy slut wanted both holes filled with cum and after she swallowed everything in her mouth, she used her fingers to taste everything that was in her cunt. Can you help out next time?

A blonde woman with her hair styled in a messy bun is posing outdoors. She is wearing a black spaghetti-strap crop top and high-waisted denim shorts. She is holding a black hat in front of her waist with both hands. She is looking towards the camera with a slight smile. The background consists of green foliage and a white wall. On the far right, a portion of another person's back and shoulder is visible.

Iris

*Banging
Younger Men*

Being a single mom with no one around to help her wasn't easy for Iris. She became pregnant at a young age, by a guy who left town as soon as he found out, and was immediately disowned by her parents when she decided to keep her son. Her mom and dad were high-ranking individuals in their community and they couldn't stand the thought that people might find out their daughter was a 'loose slut,' as they put it. Moving out on her own, she had to drop out of school and work two jobs to make ends meet. All while she had to take care of her newborn. Over the years, she made her way up in the corporate world, going from secretary to personal assistant in a big company, and as her son reached eighteen, she found there were special benefits to being a single mom. When she overheard her son's football buddies calling her a 'MILF,' she knew her vibrator would soon be replaced with the real thing.

When her son and one of his friends came over after practice one night, her son hopped in the shower, leaving his friend alone in his room - this was Iris's chance to get to his dick.

As soon as she walked into the room, her juicy tits on display, the young man was hard and pulling at her panties to get to her smoking hot slit.

She had to dominate the young hunk so she got on top and bounced on his dick so hard she thought she was going to ride it off.

Fucking on her son's bed made Iris go wild. She was so hot she thought she was going to explode. All of a sudden, she rammed his cock into her ass and screamed as the biggest orgasm of her life hit her.

Even his cum was delicious. Iris
had to have more cock - will you be
the next to make her go wild?

Nikki

Neighbor Seductress

After fifteen years of marriage, it's no surprise things can get boring. Especially when your husband's ten years older than you. Nikki's problem was that she was as hot and bothered as ever; her sex drive hadn't slowed down at all over the years. If anything, it was increasing with age. She found herself being horny all the time and she just wanted to get laid, hard. She couldn't stop thinking about cock and her husband wasn't making things easier by never wanting to fuck. Even when she greeted him at the door completely naked, he brushed her off. Lucky for Nikki, she didn't have to look far for her dream stud - he lived in the house next door. When she saw he was outside in his yard one afternoon, she headed out and put on a show for him by stripping, then suntanning nude.

When she started fingering herself, her neighbor knew she wanted his attention, and his dick. He ran over and she jumped on his hard-on, sucking it like a hungry wench.

Nikki had become so used to toys and her own hands, she screamed as soon as the cock head touched her sopping pussy. This was no quiet fuck.

Nikki knew what she wanted and she was going to get it. She ordered her fuck toy around, making him her sex slave as she worked his prick, moaning in ecstasy..

She had never pumped and bucked as hard or as rough as she was doing now. This slut was hungry for cock and she wanted to fuck until she was sore..

Nikki begged for cum on her tits only so she could lick them clean. Could you handle this naughty fuck?

Older Women Fantasies

800-730-3209
or visit www.enchantrix.com

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and essentially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong—I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex", I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better.
